iMOVE: your gateway to “Training – Made in Germany”

Germany enjoys an excellent reputation with its work-based vocational education and training.

iMOVE will be glad to facilitate your access to German training expertise. Meet iMOVE VET export advisors at **international conferences, training sector events and fairs** to discuss cooperation perspectives.

iMOVE is an initiative of the German Federal Ministry of Education and Research and an integral part of the Federal Institute for Vocational Education and Training.

**YOUR GATEWAY TO
“TRAINING – MADE IN GERMANY”**

Find your German training partners

German expertise in vocational education and training is based on the practice-oriented German dual training system.

If you wish to improve the supply and relevance of skills development in your country, check the **iMOVE provider pool** for German training providers who match your requirements.

You can select the profiles and services by topic, country and provider. Feel free to also contact the providers directly online.

All registered training organizations comply with the iMOVE quality standards. They are entitled to bear the label "Training – Made in Germany, Member of the Network".

Post your requests

iMOVE fosters communication and mutual business relations between German training providers and their international partners.

Benefit from **iMOVE's online B2B marketplace**. You can communicate your specific requirements and search for a suitable business partner.

iMOVE will be glad to assist you in drafting your request.

Get inspired by success

International training cooperation is on the rise. Many strategic alliances and mutually beneficial partnerships have already been successfully established.

Let the iMOVE success stories spark your interest in cooperating with German partners. Order or download the **iMOVE brochures "Developing Skills for Employability with German Partners"** in various languages.

Keep in touch with the market

Let iMOVE keep you up-to-date on the German training sector.

For current news on "Training – Made in Germany," subscribe to the **iMOVE international newsletter** and check the **iMOVE website in seven languages**.
